Cool Circus Circus!

Roll up, roll up for the greatest fundraising event in QHPS! On Wednesday, March 21st 2014, we had our amazing event, Circus Circus. It was great fun for everyone. We interviewed a few people to learn a little more about this spectacular event.

Our first interviewee was the fantastic ringmaster, Mr Hynes. He dressed up as a ringmaster and organised the entire event! He wanted to give some enjoyment for the children, and at the same time raise funds for the school. He is planning to purchase more technology for the classes. He thinks the most interesting activity was the Petting Zoo, as we don’t usually see bunny rabbits, pigs, sheep, ducklings, goats and ponies at our school!

The leopard, Miss Ryan, told us a bit about the show bags, which were sold by Ms Jackson and her parent helpers. The most popular type of show bag was the Tricks and Jokes one, while she liked the Horror Show Bag! Horrific!

There was a fantastic range of food, including sipper cups, snow cones and fairy floss, not to mention the popular sausage sizzle!

We had a quick survey with 5R, and they gave us a few points:

- Favourite activity? Stilts under the Big Top
- Favourite food? Sausage Sizzle run by the P&C
- Favourite animal at the Petting Zoo? Rabbit
- Favourite show bag? Tricks and Jokes

Thankyou 5R!

While all the children are having fun, the adults didn’t miss out! They had the bingo and chocolate wheel in the library, and Mrs Kotowski, the librarian, told us all about it. She told us that there were around 60-80 adults in the library! There were many voucher prizes for movies, malls, cruises, holidays and many more! There was a lot of fun, accuracy and very dramatic ‘Bingos’ involved!
Overall, Circus Circus was a gigantic hit. Many laughs, tricks and jokes by Paul’s Magic, fun and enthusiasm was shown on the day, not to mention more technology for QHPS! From the side of the students, thankyou to all the teachers and parents who put together this event for all. Now, if we could all stop clowning around.....!
